Western arts, the literary, performing, and visual arts of Europe and regions that share a European cultural tradition, including the United States and Canada. Diverse as the European continent is, the artistic traditions of its nations share many common traits.

Western arts | Britannica

The art of Europe, or Western art, encompasses the history of visual art in Europe. European prehistoric art started as mobile Upper Paleolithic rock and cave painting and petroglyph art and was characteristic of the period between the Paleolithic and the Iron Age. Written histories of European art often begin with the art of the Ancient Middle East and the Ancient Aegean civilizations, dating from the 3rd millennium BC.

Series Western Art History - The Toast

The history of art is often told as a chronology of masterpieces created during each civilization. It can thus be framed as a story of high culture, epitomized by the Wonders of the World. On the other hand, vernacular art expressions can also be integrated into art historical narratives, referred to as folk arts or craft.
