The Air battle over Merklín was an air-to-air engagement between Czechoslovak and USAFE air units over the Czech village of Merklín, in the Bohemian Forest, on 10 March 1953. During the action Czech pilot Jaroslav Šrámek, flying a MiG-15, shot down one of a pair of American F-84E Thunderjets (from 53rd Fighter Bomber Squadron, 36th Fighter-Bomber Wing).

Air battle over Merklín - Wikipedia

A battle is a combat in warfare between two or more armed forces.A war usually consists of multiple battles. In general, a battle is a military engagement that is well defined in duration, area, and force commitment. An engagement with only limited commitment between the forces and without decisive results is sometimes called a skirmish.. Wars and military campaigns are guided by strategy ...

Battle - Wikipedia

In support of air-to-ground operations, the Sentry can provide direct information needed for interdiction, reconnaissance, airlift and close-air support for friendly ground forces. It can also provide information for commanders of air operations to gain and maintain control of the air battle.

The premise of Barber's book is this: The battle for the supremacy of air conditioning above all other solutions for climate mitigation was, in fact, a battle.

In Modern Architecture and Climate, climate control takes ...

The airplanes would fly above the battlefield and determine the enemy's movements and position. One of the first major contributions of airplanes in the war was at the First Battle of the Marne where Allied reconnaissance planes spotted a gap in the German lines. The Allies attacked this gap and were able to split the German armies and drive ...

World War I: Aviation and Aircraft of WWI

Offensive Strategy. The Battle Blimp is helpful in supporting an air attack. There are several ways it can be used to reinforce an air attack: You can place a Lava Hound inside the Battle Blimp, so that it can provide itself as an additional meat shield once the Battle Blimp is destroyed or reaches the core of the base. In the case that the Town Hall is off-center, you can still manually ...
