Against The Grain Mad Artist

For those of us who read MAD in the 1950s and 1960s there was little doubt that Wallace Wood was an excellent artist and one of the great cartoonist of his day. Since his work had long stopped appearing in MAD, I wondered what had happened to him. So, when I saw "Against the Grain" at a bookstore a few years ago, I picked it up.

"Against the Grain" has been a very insightful look into one of America's leading illustrators of the 1950's and 60's. Dealing with early beginnings as a child the text covers different overlapping eras that Wood produced art from the EC Comics pre-code days to MAD magazine to his cross over into Sci Fi anthologies to his own self published Wizend.
