While the book was never meant to be as in depth about the sport as a book specifically about the Yankees, or Mickey Mantle or Babe Ruth, there is still a lot to gain from Baseball as a Road to God (although the book itself is a fairly short read; 256 pages). From both a theological to the historical to the present day, Sexton has penned an ...

Perhaps, the road to God, like love, is about openness to experience. This is what baseball can offer us when we try to understand the thrill and love for the game that it inspires in a child who identifies with players and a team and casts his hopes with the Dodgers for example. Life is more than simple calculations.
