Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

### Developing Web Applications By Ralph

If you develop web applications, there are a few technologies that you will be using in 2006/7. You will be using either AJAX, JSP/Servlet, Ruby on Rails or Flex/Actionscript. There is no mention of AJAX, which is surprising as it deals with some of the technologies behind it, Flex or Rails and spends about a paragraph on JSP and servlets.
