numerous time for  
their favorite books  
taking into account this  
diploma in mechanical  
engineering level 1 to  
level 3, but end stirring  
in harmful downloads.

Rather than enjoying a  
good book taking into  
account a cup of coffee  
in the afternoon, on the  
other hand they  
juggled as soon as  
some harmful virus  
inside their computer.

Level of Engineering

Qualification: As you  
can see, an

engineering diploma is  
only an NQF level 6,  
where a degree is an  
NQF level 7. This is  
perhaps the biggest  
difference between the  
two qualifications.

However, it doesn't  
mean that the diploma  
is the worst option.
