How To Be A Successful Blogger In 12 Steps From Popular ...

You must have a web host in order to have a blog. Choosing a bad host will doom your blog from the beginning. Users will be frustrated with slow page loading times and you may often find that your blog is simply not working at all (yikes!). There are hundreds of different web hosts you can choose from, but my recommendation for your blog is BlueHost. In fact, BlueHost is the web host I use for theblogstarter.com.

Step 1: Get Started - The Blog Starter

To be successful as a blogger there is really just one requirement: a passion for your topic. At its heart, blogging is about sharing your knowledge with the world. Choosing a topic that you are passionate about makes the process of starting a successful blog so much easier. Writing about more than one topic is totally fine too.
