Islandia (Austin Tappan Wright) - book review

The fascination of Austin Tappan Wright's "Islandia" lies partly in the way it matches our instinctive understanding of the interior richness of other people. Illustration by Jing Wei In 1931, a...

The Forgotten Novel That Inspired Homesickness for an ...

Austin Tappan Wright worked in an American law office until his death in a 1931 car accident, after which his family discovered thousands of pages devoted to an imaginary place he called Islandia...

Islandia - Austin Tappan Wright - Google Books

The core of the novel is a before-its-time environmentalism, Wright's vision of a human society in harmony with nature. Islandia is a modern ecologist's dream, a kind of egalitarian feudalism with just the right number of people living in just the right way that stability, sustainability, and satisfaction are the hallmarks of a deceptively simple and rewarding way of life.
