### Case Study: How Would You Save This Farm?

Another reason for the disappearing family farm is the ever-increasing disparity between dwindling income and soaring expenses. Net farm income in 2000 dropped to \$39.7 billion—the lowest since 1995. On the other hand, production expenses rose to \$197.5 billion or 88 percent of gross cash income—the highest since 1980-1984.

Case studies may not be the most exciting content you produce, but they can be among the most effective. No two businesses are alike, and case studies vary widely in terms of style, tone, and format. One thing that all marketing case studies share, however, is their purpose – to convince prospects that doing business with you is a good idea.
