### Mergers And Acquisitions Outlook Deloitte

Deloitte's survey of insurance industry executives found that more than half expect to complete an M&A transaction in the next two years. As they move forward in 2020, insurance organizations looking to optimize M&A opportunities should: Define and "mirror up" the overall corporate growth strategy and the M&A strategy.

### 2020 Insurance Mergers and Acquisitions Outlook | Deloitte US

Building economic and political uncertainty in 2020 is likely to create a backdrop of short-term headwinds for banking and capital markets (B&CM) mergers and acquisitions (M&A). However, dropping interest rates, ongoing tariffs and trade disputes, rumblings about an economic slowdown, and the upcoming US presidential election are stirring up uncertainty that may temper M&A, especially in the second half of the year.
