Organizational Culture and Leadership, 5th Edition | Wiley

Leaders show employees how to embody values that contribute to organizational culture. It is the duty of a leader to communicate the company's mission, goals and core values. Leaders are responsible for defining, teaching, measuring and rewarding the culture they want to foster. Ethical leadership helps businesses succeed and grow.

7 Ways Organizational Culture and Leadership are Connected ...

Organizational culture and leadership are elements in a company that work in conjunction with one another toward organizational success. Both culture and leadership influence how the company will function and what will be achieved. Either culture will determine how leadership functions, or leadership will transform the organizational culture so that the culture supports the organizational values.
