ban on the production, importation, transportation, and sale of alcoholic beverages from 1920 to 1933. Prohibitionists first attempted to end the trade in alcoholic beverages during the 19th century.

Prohibition in the United States - Wikipedia

National Prohibition turned out to be quite a different beast than its local and state cousins. Under Prohibition, Rum-running (bootlegging) occurred on a large scale across the United States. In urban areas, where the majority of the population opposed Prohibition, enforcement was generally much weaker than in rural areas and smaller towns.

Prohibition was a period in which the sale, manufacture, or transport of alcoholic beverages became illegal. It started January 16, 1919 and continued to December 5, 1933. Although it was formed to stop drinking completely, it did not even come close. It created a large number of bootleggers who were able to supply the public with illegal alcohol.
