### Survival Guide For Traders Review

The Survival Guide for Traders always seems to be the one I go back to the most. It offers more solid trading advice than all the others in a format that is readable and useful. If you are going to trade as more than a hobby, you need to set up a business plan and approach it as the business that it is.

If the title had been The Investor's Tax Survival Guide, it would have been worth a rating of three to four. However, as a trader, I found myself wading through page after page of irrelevant information. I found much better information free on the internet specifically aimed at traders. 24 people found this helpful

### Amazon.com: Customer reviews: The Trader's Tax Survival ...

First, find a trading edge. Second, survive long enough for your trading edge to prove itself. The second goal, the goal of survival, is known as risk management. As a trader, you need a trading edge. But you also need to survive through drawdowns to see your profits. Hence, both goals are equally important.

### Traders' Survival Guide: A Primer On Risk Management ...

The author gives many guidelines for aspiring traders like: Always define your risk. Never risk more than 2% of capital per trade. Set your stop at a place to give your trade room to breath. Plan on only trading with no more than 10% of your total net worth. Understand your tolerance of risk and trade accordingly.
